

# Introducing CBDI, Inc., Our Endorsed Benefit Administrator

The Lower Bucks County Chamber of Commerce is pleased to introduce you to CBDI, Inc., our Endorsed Benefit Administrator. As our Administrator, CBDI is responsible for developing, marketing and administering our Chamber-sponsored benefit program, including a wide variety of Medical, Dental, Vision, Life and Disability products through Independence Blue Cross and its family of companies.

The staff at CBDI is well trained to assist Chamber members with the complicated process of choosing a benefit program that is just the right fit for them. They are available to consult with you whether you are an individual or a business with 2-99 employees.

Once you enroll in one of our Chamber sponsored benefit plans, CBDI will invoice you for your coverages, process all monthly adds, changes and deletions of employees, help you make benefit plan changes, and aid in the resolution of difficult benefit or claim issues.
